

ONE DISPLAY. ENDLESS LEARNING POSSIBILITIES.

Built for Today's
Google-Powered
Classrooms.

The Sharp AQUOS BOARD® PN-LB3 Series

brings the apps and tools educators use every day directly to the display. With the Google Play Store built in and Google EDLA certification, teachers can easily access Google Classroom, Google Drive, Docs, Slides, YouTube, and thousands of educational apps—without relying on an external PC.

WHY SCHOOLS CHOOSE THE PN-LB3
